LAY ROOTS AMONG THE TREES IN THE TROPIC VILLAGE OF BOSQUE

Experience living among the lush greenery of the Costa Rican jungle in Bosque, our tropic village. The rustling of the leaves in the wind, the howling of the monkeys scattered overhead, the chirping of the birds in their nests - the nature of this area envelops you. There is a power that lies in the strength of the trees and the stillness of the jungle. Modern, ecological homes nestled in the forest valley of Pacifico in the heart of Playas del Coco, Costa Rica. The Bosque village offers 4 bedroom freestanding homes on pristine mountain view lots each with a private pool. Enjoy the utmost privacy among the trees in a
